

Your Trusted Partner in **Healthcare Quality & Accreditation**

Better Healthcare Together

NABH • NABL • ISO
Accreditation Experts

// Founder's Message

Quality in healthcare is not an option, it is a necessity. At Unique Healthcare Consultancy, we are committed to guiding hospitals, diagnostic centres, dental and eye care clinics in achieving and maintaining the highest standards of quality, safety and accreditation. We believe better processes, better compliance and better systems lead to safer patients, happier communities and sustainable growth.

Mohit Sharma

Founder & Director
Unique Healthcare Consultancy

Who We Are

Unique Healthcare Consultancy is a trusted partner for hospitals, diagnostic centres, dental clinics and eye care clinics — providing expert consultancy and end-to-end support for NABH, NABL, accreditation and compliance.

We help healthcare organizations build safe, quality-driven systems, achieve accreditation and deliver better outcomes for patients.

Our Vision

To be a trusted and leading healthcare consultancy, recognized for excellence in quality, accreditation and continuous improvement in healthcare.

Our Mission

To empower healthcare organizations with expert guidance, practical solutions and end-to-end support for NABH, NABL and other accreditations, while promoting patient safety, quality and operational excellence.

Why Choose Us?

- ✓ Expert Guidance & End-to-End Support
- ✓ Experienced Healthcare Professionals
- ✓ Customized Solutions for Every Facility
- ✓ Focus on Quality, Compliance & Patient Safety
- ✓ Timely & Transparent Process
- ✓ Strong Track Record in Accreditation Support
- ✓ Long-Term Partnership Approach

"Quality is not an act, it is a habit."

Your Success is Our Commitment
